Panarea

Mediterranean breeze

DESIGN
CMP Design, 2020

EN— The idea behind Panarea is rooted in the Mediterranean coastline and brings to mind the colours and the refreshing summer breeze of a dinner on a terrace overlooking the sea. The wide and curved backrest is woven in polypropylene cord which creates an original geometrical pattern and wraps around the tubular steel frame as far as the armrests. The lounge armchair comes with a wide seat and a high backrest.

IT— Panarea nasce da un'idea di paesaggio costiero mediterraneo, che riporta alla mente i colori e la brezza rinfrescante di una cena all'aria aperta in una terrazza affacciata sul mare e la luce conciliante e ristoratrice della stagione estiva. Lo schienale ampio e accogliente è intrecciato in corda di polipropilene che, nella sua originale geometria, crea una raffinata greca e avvolge il tubo del telaio in acciaio, coprendo anche i braccioli. La poltrona lounge è dotata di una seduta molto generosa e di uno schienale alto.

Remind

Between mind & heart

DESIGN
Eugeni Quitllet, 2018

EN — While evoking the soft sinuous curves of wooden chairs from the late nineteenth century, Remind's organic silhouette recalls something never seen before, a universal shape able to fit into any space and style of decor. The result is an innovative polypropylene armchair, in which each element is conceived to ensure total comfort and cosiness.

IT — Remind riprende la memoria delle curve morbide e sinuose delle sedie in legno della seconda metà del XIX Secolo. La sua essenza si esprime attraverso una silhouette dalle forme organiche capace di "ricordare qualcosa mai visto prima", una forma universale in grado di adattarsi a qualsiasi spazio e stile. Una poltroncina innovativa in polipropilene in cui ogni elemento è pensato per conferire comfort e avvolgenza.

Soul

Pure creativity

DESIGN
Eugeni Quitllet, 2018

EN — The concept of Soul stems from the idea of creating a chair using a blend of age-old methods and cutting-edge techniques. Its ash structure has a minimalistic, flowing silhouette, characterized by a harmonious interplay of curves and lines. The outdoor version made of aluminium, with a seat in teak slats, ensures strength and lightness.

IT — La poltrona Soul nasce dal desiderio di creare una seduta ricorrendo a metodi tradizionali e sfruttando al tempo stesso la tecnologia. Linee sinuose caratterizzano una struttura in frassino resa dinamica e di carattere grazie al gioco armonico di curvature e dolci inclinazioni. La versione outdoor realizzata in alluminio, con sedile con doghe in teak sagomate, garantisce resistenza e leggerezza.

Tribeca

Fasten your seat, belt!

DESIGN
CMP Design, 2018

EN — Tribeca takes us back in time with a modern reinterpretation of classic Sixties patio chairs made from steel and woven cord. A true icon, revisited with new materials: a solid tubular frame, combined with the elasticity of a profile in vertically-woven plastic material.

IT — Tribeca nasce dagli echi confortanti della memoria, una reinterpretazione in chiave moderna delle classiche sedute da terrazza anni Sessanta realizzate in acciaio con intreccio. DESIGN
CMP Design, 2015

EN — Nolita is a family of outdoor seatings which recalls the origins of a historic course, started by Mario Pedrali in 1963 with his first metal garden chairs. The collection seems to arise from the memories of a sunny and lively square, a timeless place, giving birth to simple and iconic shapes.

IT — Nolita è una famiglia di sedute da esterni che rievoca le origini di un percorso storico, iniziato da Mario Pedrali nel 1963 con le sue prime sedie da giardino in metallo.
