SIFAS

Air marin aux effluves salées et regard porté sur l'horizon de la Mer Méditerranée. Où l'évasion et le voyage se rencontrent. Naviguez au gré des ondes, reflétant les rayons du soleil de la French Riviera, à la surface de l'eau claire. Lieux où la chaleur des rivages de cette Côte d'Azur idyllique, épouse les ponts et les terrasses habillés de leur plus beau bois. Gammes design, rencontre de modernité et confort. Les collections Sifas sont un gage de confort, d'évasion et de durabilité

Sea air with salty scents and a gaze towards the horizon of the Mediterranean Sea. Where escape and travel meet. Sail along with the waves, reflecting the rays of the Côte d'Azur sun on the surface of the clear water. Places where the warmth of the shores of this idyllic French Riviera embraces the bridges and terraces dressed in their most beautiful wood. Designer ranges, meeting modernity and comfort. The Sifas collections are a guarantee of comfort, escape and durability.

DESERT

Lumière dorée caressant le sol aride, pavé des plantes piquantes aux nuances presque grisâtres. Debout, seul dans une plaine qui s'étend à perte de vue. Les paysages désertiques ont de tous temps exercé leur attrait envoûtant sur les hommes. Mélange parfait de forme et de fonction, les collections Sifas créent sans effort une atmosphère sereine. Une élégante invitation à un moment de confort et d'évasion, depuis votre espace extérieur.

Golden light caressing the arid ground, paved with prickly plants with almost grayish shades. Standing alone in a plain that stretches as far as the eye can see. Desert landscapes have always had their bewitching attraction to men. A perfect blend of form and function, the Sifas collections effortlessly create a serene atmosphere. An elegant invitation to a moment of comfort and escape from your outdoor space.

TRO PI CAL

Feuillages denses de camaïeux verdâtre, habillés par les délicats faisceaux de lumière transperçant les branches. Coeur d'une nature sauvage et enivrante, où le soleil apparaît au zénith. Un havre de paix naturel, bercé par une énergie lumineuse.

Dense greenish shades of foliage, adorned by delicate beams of light piercing the branches. Heart of a wild and intoxicating nature, where the sun appears at the zenith. A natural haven of peace, lulled by luminous energy.

URBAN

Prenez de la hauteur et observez l'effervescence. Point culminant offrant une vision unique sur la ville, là où les gratte-ciels se dessinent à l'horizon. Moment de calme et d'évasion, loin de la frénésie urbaine qui anime les rues en contrebas.

Take a step up and observe the excitement. Highest point offering a unique view of the city, where skyscrapers stand out on the horizon. A moment of calm and escape, far from the urban frenzy that animates the streets below.

MIA - MI

DOPPEL STUDIO

Depuis 2020, Sifas s'est entouré de designers de renom mettant le design au coeur de l'identité de la marque. Parmi ceux-ci, Döppel Studio s'est distingué par son approche axée sur l'engagement du corps et de l'esprit à travers le design. Le duo Lionel Dinis Salazar et Jonathan Omar ont créé en 2020 pour Sifas la collection Big Roll, un design inspiré des bouées gonflables, rappelant l'ambiance de la piscine en été. Une esthétique radicale dans ses formes gonflées marque l'identité de la gamme et apporte un coup de modernité à la marque.

Since 2020, Sifas has called on some well-known creators, firmly placing design at the core of the brand's identity. These include Döppel Studio, which stands out for its use of design to engage both body and mind. Design duo Lionel Dinis Salazar and Jonathan Omar created the Big Roll collection for Sifas in 2020. It is inspired by rubber swim rings and conjures up a summer poolside atmosphere. With its inflatable lines, this collection's radical aesthetics define the range's identity and give the brand a modern edge.

OTTO STUDIO

Depuis 2022, Sifas collabore avec OTTO Studio, né de la vision créative de Paola Navone. Domenico Diego et Cristina Pettenuzzo accompagnent Sifas dans l'évolution des styles et des tendances, en travaillant sur la direction artistique de la marque et en créant des collections uniques et inspirantes, toujours plus novatrices et surprenantes. Ce travail est renforcé cette année par des extensions de collections, le choix de tissus premium et les scénographies réalisées pour les showrooms Sifas.

Last year, Sifas embarked on a partnership with OTTO Studio, borne by Paola Navone's creative vision. Domenico Diego and Cristina Pettenuzzo are helping Sifas to stay ahead of changing styles and trends, working on the brand's artistic direction, and creating unique, innovative and inspiring collections that never fail to surprise. This year, they have also designed a number of additions to the existing collections, been involved in the choice of premium fabrics, and worked on the set designs for the Sifas showrooms.

ERIC CARRERE

Collections : KALIFE - KWADRA - OSKAR

Durant sa carrière, Eric Carrère a concrétisé de nombreux projets dans des secteurs très variés : l'électroménager avec SEB, les lunettes avec CEBE mais aussi la SNCF et de nombreuses collaborations dans le mobilier Outdoor avec Sifas. Ce designer industriel aux nombreux talents nourrit son projet d'un brief "produit" et de l'analyse de l'univers de la marque et de son marché. Pour Oskar, il a tout d'abord étudié minutieusement l'histoire du fauteuil metteur en scène, afin de mettre en exergue ses principes fondamentaux pour mieux les sublimer, et développer des matériaux adaptés à un usage extérieur, notamment le teck synthétique que l'on retrouve sur les accoudoirs des fauteuils ou encore les plateaux des tables.

During his career, Eric Carrère has brought to life numerous projects in very diverse sectors: household appliances with SEB, eyewear with CEBE, as well as collaborations with SNCF and in outdoor furniture with Sifas. This industrious designer with many talents fuels his project with a «product» brief and an analysis of the brand's universe and its market. For Oskar, he first meticulously studied the history of the director's chair to highlight its fundamental principles in order to better sublimate them, and to develop materials suitable for outdoor use, notably synthetic teak found on chairs armrests and tabletops.

STUDIO SIFAS

Sifas se positionne depuis 60 ans comme une marque du savoir-faire français. Ses collections véhiculent une esthétique sophistiquée et intemporelle, un style sobre et élégant. Chez Sifas, les designers s'appuient sur des valeurs fortes telles que la créativité, la qualité, l'innovation et la technicité des matériaux utilisés.

Sifas has positioned itself for 60 years as a brand of French know-how. Its collections convey a sophisticated and timeless aesthetic, a sober and elegant style. At Sifas, designers rely on strong values such as creativity, quality, innovation and the technical nature of the materials used.

COMMITMENTS

RESPONSABILITÉS : SIFAS® a été fondé en France sur les rives de la Côte d'Azur en 1964. Dès son origine, SIFAS® s'est spécialisé dans le mobilier et les textiles d'extérieur pour les terrasses, les piscines, et les bateaux, lui conférant une longue expérience des matériaux tous temps. La sélection, par les designers et par les bureaux d'études de SIFAS®, de systèmes de production, des pays de production des matériaux, des pièces détachées ou des produits finis, est faite selon les critères premiers du savoir-faire et de la qualité : tous temps, la plus grande simplicité d'usage et d'entretien, un recyclage sans dommage pour l'environnement. Les productions SIFAS®, issues d'Amérique du Nord, d'Europe ou d'Asie, respectent de la même manière les contraintes de développement humain et de développement durable.

GARANTIE : SIFAS®, confiant dans son savoir-faire spécifique et dans ses procédures de contrôle qualité, offre une garantie de 10 ans pour l'usage domestique à partir de la date d'achat, contre tous vices de fabrication sur les meubles, et une garantie de 2 ans sur les confections textiles et les traitements de surface. Cette garantie n'inclut pas l'usure normale, ni les conséquences de traitements non appropriés, ni l'endommagement par l'acheteur ou un tiers. SIFAS® peut choisir la modalité d'exécution de la prestation de garantie, entre réparation ou remplacement des pièces incriminées. Toutes autres prétentions sont exclues.

DOCUMENT NON CONTRACTUEL : SIFAS® se réserve le droit de procéder à des modifications mineures sur ses produits en cours d'année.

LIABILITIES : SIFAS® was founded in France on the Riviera in 1964. Since its beginnings, SIFAS® has specialized in furnishings and outdoor textiles for patios, pools and boats. This has afforded it much experience in weather-resistant materials. The choice of production methods, countries of manufacture for the materials, components and finished products is made by our designers and SIFAS® creative team on the basis of our prime criteria for quality and expertise: weather resistance, greatest simplicity of use and maintenance, recycling without harming the environment. SIFAS® products coming from North America, Europe or Asia all respect in the same way the requirements for human development and sustainable development.

WARRANTY : Because of its confidence in its expertise and quality control procedures, SIFAS® offers a 10 years warranty for home use from the date of purchase for all manufacturing defects of the furniture and a 2 year warranty for textile products and surface finishing. This warranty excludes normal wear and tear and the consequences of any inappropriate treatment, as well as damage by the buyer or thirdparties. SIFAS® may choose how to respond to the warranty claim, either by repair or replacement of the involved components. All other claims are excluded.

NON CONTRACTUAL DOCUMENT : SIFAS® reserves the right to make minor changes to their products over the course of this year.

MODÈLES & DROITS D'AUTEURS : Les collections SIFAS® sont exclusivement conçues dans nos bureaux ou développées par des designers internationaux. Tous nos modèles sont déposés, portent la marque de fabrique SIFAS® et sont protégés par la loi. Toute violation du droit d'auteur, du droit des dessins et modèles ou du droit des marques est illicite et donnera lieu à des poursuites. Crédit photos : I. Ichou.

MODELS & TRADEMARK RIGHTS : The SIFAS® collections have been exclusively designed in our design studios or developed by international designers. All our models have been registered and bear the SIFAS® trademark and are protected by the law. Any violations of these copyrights, image or model rights or trademark rights are illegal and are liable to prosecution.
