MADE FOR
OUTDOOR LIVING
SINCE **1999**.

At Jardinico Parasols, we are driven by a passion for creating serene outdoor spaces where cherished moments with loved ones can truly flourish. We focus not only to the retail market but also to the project market, where our expertise lies in delivering fully customizable solutions. Whether tailoring colours, integrating branding or adapting designs to specific needs, we work closely with clients to provide bespoke creations for any project.

Based in Belgium, our headquarters serve as the heart of our operations, encompassing design, distribution and the development of innovative products. As we continue to expand, our vision is to position Jardinico Parasols as the global leader in high-end shade products, setting the benchmark for luxury and functionality in outdoor living.

OUR HISTORY

As a proud Belgian family-owned company, our roots run deep. For many years, we specialized in textile manufacturing before making a pivotal shift in 1999 to the production of garden cushions.

1999

Jardinico evolved in 2015 into two specialized branches, each led by a member of the founding family. Jardinico Cushions, overseen by Bram Vandeputte, continues to produce premium garden cushions with the same dedication to craftsmanship.

Meanwhile, Jardinico Parasols, under the leadership of Bruno Vandeputte, has grown into a premier brand for luxurious shadowmakers.

2015

2000

In 2000, we expanded into parasols, marking the beginning of our journey in high-end outdoor solutions.

Today, with more than 25 years of expertise in parasols, we offer a comprehensive collection of high-end shade solutions and outdoor designs. From sophisticated umbrellas to dining tables, sunloungers and bespoke accessories, our products seamlessly combine superior quality.

By keeping all cushion and canopy production family-owned at Jardinico Cushions, we ensure that our products stay true to our values and heritage.

2026

2018

3 years later, we expanded our expertise by introducing our first outdoor furniture collection, enabling us to offer a complete outdoor living experience. This addition allows customers to seamlessly combine parasols, furniture and accessories to create a harmonious and stylish outdoor space.
